December, 1999

Dear Health Care Professional:

In 1998, the Oklahoma Legislature passed a law dealing with credentials verification. That law directed the Board of Health to promulgate rules and the Oklahoma State Department of Health to develop a uniform credentialing application. The application will be used to request privileges or membership in a hospital, managed care organization, or other entity requiring credentials verification.

The Department has developed the attached Uniform Credentialing Application. Although many of the items apply primarily to physicians, this form has been designed for use by all health care professionals.

Please note these specific instructions:

1. **DO NOT submit this form to the Oklahoma State Department of Health.**
2. **Contact the facility or organization to which you plan to apply before submitting this form to find out what addendum, supplemental form, additional information, or additional items will be required.**
3. **All items must be completed.**
4. **If an item is not applicable, please so state.**
5. **Please print legibly or type.**
6. **Be sure to sign and date the application.**
7. **If additional space is needed, please attach additional sheets.**

The application may be submitted to hospitals, ambulatory surgery centers, managed care organizations, and other entities requiring credentials verification. The form is available on the Department's website at **www.health.state.ok.us**. For questions about the form you may contact the Department at (405) 271-6868. The form may also be available online at the different facilities and organizations to which you will be making application.
